4. Vendor placement and Check out info:

- _____ Vendors with a reservation should call or text (not e-mail or social media message) the on-site manager at least 24 hours in advance if they cannot attend that day; the space may be used by another approved vendor, if still empty at 7:15 am. Market phone number is 719-480-4365.
- _____ Large trucks or trailers will be placed by the on-site manager. You will be charged for the number of spaces that you occupy.
- _____ If your vehicle (and/or hookup) takes up more than one vendor space, you will be required to pay for the extra space/s. We suggest unhooking vehicles for parking off 6th St. at the Hunt Avenue parking lot. This lot will also accommodate customer parking.
- _____ Vendors are requested not to park on Main St., State Ave., or the parking lot next to "Walshburger" as this reduces availability for customer parking for the market and local businesses. Vendors parking off-site should use the lot on the corner of 6th Street and Hunt Avenue.
- _____ Make sure to check out and pay all fees as close to market closing time as possible before leaving for the day.
- _____ **All vendors will pay booth and insurance fees at the start of the Market day for their first market each season.**

5. General Rules:

- _____ **No Smoking, vaping, e-cigarettes, or marijuana allowed at the Alamosa Farmers' Market.**
- _____ Items sold at the Alamosa Farmers' Market must be grown or produced in Colorado or in states bordering Colorado (New Mexico, Kansas, Wyoming, and Utah).
- _____ Vendors must provide their own supplies for their booth (Tent, tables, change, bags, signs, etc.).
- _____ All vendors are responsible for cleaning their area of the market. The Market has a dumpster for trash for use by vendors.
- _____ All produce must be fresh, clean, and of good quality. Containers and vehicles used for the sale and transportation of produce must be clean.
- _____ Produce must be sold by the growing farmer(s) or have been purchased directly from the growing farmer. Vendors may not purchase produce from another individual who is reselling produce that they themselves did not grow or raise.
- _____ All vendors are responsible for reporting accurately all gross sales to the on-site manager at the end of each market. Vendor initials will be required on the report form.
- _____ All vendors must use tent weights or anchors. Weights need to be about 40 pounds each. Vendors can anchor the back of their tents to their vehicles but the front needs to be weighted.
- _____ Generators are discouraged at the Alamosa Farmers' Market unless approved by Market staff.

6. Local and State Requirements:

- _____ All non-producers must have proper licenses. Vendors who have grown or produced the items they are selling, and members of their immediate families, are not required to have a license.
- _____ Vegetables, fruit, herbs, honey and other food products that have not been cooked or otherwise prepared for immediate consumption may be sold and do not require special licensing.

- e. Vendors selling animal products may require additional licenses. Check with the Alamosa County Health Department or Farmers' Market Staff for details. The sale of live animals is prohibited.

7. Labels:

- a. All processed and prepared foods must have with them an accurate ingredients list available to customers and Market staff. **If items are not labeled, they will not be allowed to be sold.**

- e. **Vendors need to display the following information on a placard at their booth:** *This product was produced in a home kitchen that is not subject to state licensure or inspection and that may also process common food allergens such as tree nuts, peanuts, eggs, soy, wheat, milk, fish, and crustacean shellfish. 8. Inspections: Please be aware that inspectors from the CO Dept. of Health and other regulatory agencies may visit and that it is your obligation as the vendor to be in compliance with all regulations and licensing. State regulations on the sale of food products are available on the Market website and from market staff. Please contact Gary Bruder from Alamosa County Health Department, (719)-587-5206 or gbruder@alamosacounty.org, regarding State inspections and licensing. Aaron Yonker, (719)-250-1851, is the Colorado Department of Agriculture weights inspector.

9. Insurance: The Alamosa Farmers' Market has a general liability insurance policy for **market-owned** property in place, and we recommend vendors obtain *their own Commercial General Liability Insurance policy (that includes products and completed operations)*. The vendor, not the market, will be held liable should someone become ill due to the sale of unsafe food products, injured by an item sold at the market or if, for example, someone is injured by a vendor's canopy.

10. Violations: All vendors are required to respect fellow vendors, customers, and the market staff's requests to help make the market run smoothly. Vendors who commit violation(s) or cause complaints may be asked to leave the market for the remainder of the season. Decisions made by the staff are final.

11. Operating Costs: The Alamosa Farmers' Market staff is devoted to keeping the Market running smoothly and efficiently. Every attempt is made to keep costs down, but there are some necessary expenses of operation, such as on-site management, licenses, general liability insurance, publicity, portable toilet, etc. which are paid for out of the booth fees and commissions. Due to changes in the insurance industry, vendors will be charged \$10 per season to offset this cost.
