

Alamosa Farmers' Market Vendor Request for Electricity

Please clearly print the following information:

Contact Person Name:
Farm/ Business Name (if applicable):
Street Address:
City, State, Zip:
Phone (Cell):
Phone (Other):
E-mail:
Why are you requesting to use electricity for your booth? What will you use the electricity to power for your booth? (Be very detailed)
Electricity is \$5 per plug that you use (you are not allowed to use power strips). Vendors should be prepared to bring their own 150 feet or longer extension cord to use each week. How many plugs are you requesting?
If there is not enough electricity to power your booth, would you still be a Farmers' Market Vendor? Why or why not?

Please return this form as soon as possible. We cannot guarantee power for any vendors; requests will be considered on a case by case basis.
